3. Teachers should consider three things when planning activities that meet the group's needs. Discuss the three points that the video mentioned and why they are important to a successful group time.

4. Gene (the Kindergarten teacher) was successful in holding the children's interest during the group time, which involved the story, It Looked Like Spilt Milk. Discuss the techniques that he used and how they met the groups needs?

5. The story, It Looked Like Spilt Milk had repetitive lines that were read over and over again. How was this an advantage for the group time?

6. During the memory game Nancy successfully built a sense of community among the children.
Discuss her technique.

Guidelines for Successful Group Times

Complete this activity and mail a copy along with your reflection.

For this activity you will be in the role of a preschool teacher or a child care provider of preschool age children. You are preparing for a group time. You have learned some things to keep in consideration from the video. You want the children to come to circle eager and ready to participate. Using the outline below, plan out a successful group time. Remember to use the techniques and strategies from the video.

Activity Title:

Objective (Reason for doing the activity):

Length of the activity:

How many children:

Ages of children:

Materials needed:

Child Care Resource & Referral

1001 SW Baseline St., Hillsboro, OR 97123
