2. Two of the participants in the video talked about their struggles with time and other life necessities. They both mentioned that it had to be a commitment to read because there are many things to take care of in life that is necessary. What are some of your struggles with time to read? What are some possible solutions to these struggles?

Time Struggles	Possible Solutions

3. Gene Casquerio, the Kindergarten Teacher stated that, "When children have an experience with books prior to entering school they have such an advantage over many of the other children." He went on to explain the advantages that they have and the advantage of a Kindergarten Teacher receiving a child well experienced with books. Write about what you have learned from his comments.

4. Betty Campbell- Principal of Boise/Eliot School talked about the critical role that parents play in getting their children interested in books. She stated, ... " We know that parents must be partners with us. Can you explain why she felt that parents reading to their children was so important.

5. If you had a new friend that knew nothing about the importance of reading to her child what would you convey to her as to the importance of exposing her child to books?

Activity

Super Groups; Young Children Learning Together

Read to Me!

Sharing Books with Young Children

Complete the activity sheet and mail with the reflection.

Choose a story to read to a group of children. Become familiar with it before you read it. Observe the reactions on each of the children in the group.

1. What is the name of the book that you chose? Who is the author and illustrator?
2. Give a brief description of the book.
3. How were the reactions of the children similar? How were they different?
4. Is there any feedback you could give to the children's parents about the reading skills of their children? What would you tell them?
