DID YOU KNOW?

Information and Referral is the art of assessing a person's needs and options then providing referrals to appropriate community resources. This skilled service is available to people in Washington County by dialing the easy-to-remember phone number "2-1-1" (or 503.222.5555) to speak with a trained Community Information Specialist.

Or you can search for resources online at www.211info.org

2011 Edition of the Expanded Resource Directory

Full Size - 8.5" x 11" - **\$30.00**

Over 250 pages of resources listed alphabetically by agency with detailed descriptions of services including days and hours of service, email and web addresses, eligibility criteria, and much more.

In addition to the detailed service information, each directory contains a Service index with resources organized for quick reference by type of service, and an alphabetical Agency Phone index.
